The Iowa Shorthorn Breeders Ass'n Annual Sale

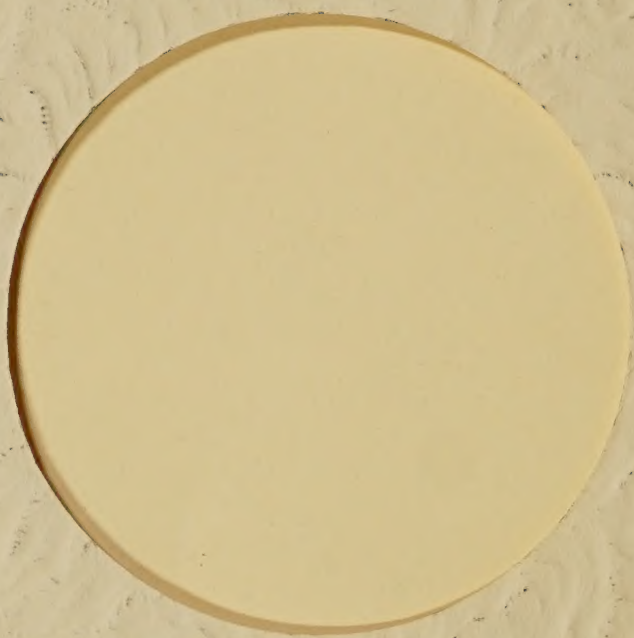

"The Perth Sale of America"

★ ★ ★

At the Sale Pavilion, Iowa State Fair Grounds

DES MOINES, IOWA

Monday, March 4, 1940

Cow pictured above was purchased in Iowa, whose bull calf, pictured with her, recently sold for \$1000.00 at 5 months of age.

Announcement

The Sale Manager would like to thank and congratulate the Shorthorn breeders of Iowa for their fine cooperation and interest in the assembly of this greatest lot of show and breeding cattle ever to go through any State Association auction ring. We record more Shorthorns than any state and consequently have a greater number from which to select our annual sale cattle. Iowa breeders have done much to improve the breed and have contributed greatly to the prestige of the Shorthorn. I strongly urge all who are interested and in the market for choice specimens of the Shorthorn breed to attend this sale and be our guests. All sale cattle are backed by the State's best breeders and personally guaranteed by them.

STATESMAN'S VICTOR

Is a solid red and comes from that good Victoria family. He was in our 1939 show herd and stood well within the money at three of the leading state fairs, and we believe he is a better bull now than when shown. We have sold two bulls of this same breeding to head the large herd of L. E. Crews, Haigler, Nebraska, and we believe this bull will be a worthy addition to any herd.

Guarantee Approved by American Shorthorn Breeders' Association

1.—Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2.—All bulls sold as separate lots are guaranteed breeders, provided they are not allowed to serve when under 14 months of age or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3.—Cows with own calves under four months of age by side are considered proven breeders. All other cows and heifers are guaranteed breeders, except that calves sold by side of the dam as one lot and heifers under 16 months of age at the time of sale are not guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows and heifers bred for more than three months, according to the service date furnished at the time of sale, but not proving in calf, must be reported to the seller within three months after date of sale; all others served within three months prior to the date of sale, not settled or proving to be in calf must be reported within six months. Females over 16 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4.—Any animal not proving up to the foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for a retrial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, the purchaser shall be given the option of having the purchase price refunded without interest, or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply upon any animal later substituted.

5.—All animals are sold subject to a 60-day retest for tuberculosis, or to comply with the laws regulating tuberculosis of the State or Country into which they may be shipped. Animals shall be segregated from the buyer's herd until the retest is made except the herd be a Federal Accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State Veterinarian, or veterinarian deputized by the State Veterinarian, who is co-operating with Federal Veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction, except that the purchaser shall agree to accept a substitute. Blood test will be made when it is required by the destination State or Country.

6.—Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale and without trouble to the purchaser, but at his risk of loss or injury after being bid off.

7.—**TERMS:** Cash, except other arrangements are made with the consignors before the sale. All settlements to be made with the Clerk immediately after the close of the sale, but it shall be expressly understood that said Association assumes no liability, legal or otherwise, and that the above guarantee and terms shall constitute a contract between the consignor and purchaser of each lot.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

The footnotes as printed have been supplied by the sellers.

LOCATION—The sale will be held in the sale pavilion at the Iowa State Fair Grounds at Des Moines, Iowa, on Monday, March 4, 1940 at 1 P. M. Intersecting roads make Des Moines easy of access by paved highways from all parts of Iowa and adjoining states.

BIDS—Those wishing to buy who cannot be present may leave with or send their bids to the sale manager, R. W. Hagie, Clarion, Iowa; to Clint Tomson of the Shorthorn World; to J. E. Halsey of Wallaces' Farmer; Tom Sherlock of the Corn-Belt Dailies; H. J. Gramlich, Secretary of American Shorthorn Breeders' Association, or to any of the consignors.

The rise in prices of pure bred cattle has come but pure bred Shorthorns are still the corn-belt farmer's best asset. Buy these choice breeding units before the price gets above that of a safe conservative investment. In a short time cattle such as these will be selling at double the prices of this sale. Buy now and be ready to sell then.
